La Voz Obrera, 19 Feb 55 carries an article on the MELS "Theses" — "a document of major importance" "Wellspring of Experience for all people" First Popular Rev of Early Epoch."

Theses & the lessons of 1905 are regarded as important, not only for Sov people, but also for "the workers of the entire world"

Theses treated the 1905 events as a "serious school" & example. The lessons were used not only in Russ, but in other countries.

1905 a guide for PCB in applying its program of struggle for popular democracy

Study & assimilation of these lessons constitute an ~~important~~ unpostponable task for all Communists, the working class, vanguard of all the people taking the leading role.

VO will publish articles on the lessons of 1905-07 & their influence on Brazilian workers movement
